

**University of Florida College of Medicine
Full Disclosure Form**

In accordance with the Accreditation Council for Continuing Medical Education's Standards for Commercial Support, all planners, teachers, and reviewers involved in the development of CME content are required to disclose to the University of Florida College of Medicine their **relevant financial relationships**. An individual has a relevant financial relationship if he or she has a financial relationship in any amount, occurring in the last 12 months with a commercial interest whose products or services are discussed in the CME activity content over which the individual has control. Relevant financial relationships will be disclosed to the activity audience.

Title/Date(s) of CME Activity:

Example: "Medical Grand Rounds, _____
July 1, 2005"

Title of Presentation(s): (if applicable)

(Example: "Heart Failure Update")

Name: (please print)

Role in Activity (Check one):

Speaker Activity Director Planning Committee Author Other _____

1. If the CME content over which you have control contains information about healthcare products or services related to the practice of medicine, have you or your spouse/partner had a financial relationship in any amount in the last 12 months with the manufacturers of the products or providers of the services?

Check one:

Yes No

If Yes, you must complete the chart below and answer questions #2 and #3.

If No, please sign only and then return this form.

Affiliation/Financial Interest:	Commercial Interest, Manufacturer or Service Provider:
Grant/Research Support	
Consultant	
Speakers' Bureau	
Stock Shareholder	
Other Financial or Material Support	

2. The Accreditation Council for Continuing Medical Education (ACCME) considers the relationships in the above chart to create conflicts of interest for anyone having control over the content of CME presentations. In this circumstance, ACCME requires that you describe how you will resolve this conflict and ensure that CME content is free of commercial bias. Please describe below the procedures you will use to help ensure that this educational presentation is scientifically balanced and free from commercial bias as is required by the ACCME.

Check all that apply:

- Comprehensive review of relevant medical literature
- Presentation of evidence based medicine guidelines.
- Review and presentation of guidelines and recommendations of nat'l professional societies or medical organizations
- Peer review of presentation materials
- Other (please describe) _____

3. The University of Florida College of Medicine, as part of its accreditation from the Accreditation Council for Continuing Medical Education (ACCME), is required to "resolve" any reported conflicts of interest prior to the educational activity. In light of your answers to questions #2 will your presentation be scientifically balanced and free of commercial bias or influence? *Circle one:* Yes No
