CME Advisory Committee Disclosure

Conflict of interest information for the CME Advisory Committee members can be found on the following website:
<https://cme.ufl.edu/disclosure/>.

Release Date: February 1, 2020

Expiration Date: January 31, 2022

Target Audience:

Primary Care Physicians, Specialty Physicians, internists, urologists

Learning Objectives:

As a result of participation in this activity, participants should be able to:

- 1) Recount the natural history of bladder cancer and the most common path experienced by patients.
- 2) Explain the treatment options available to patients with muscle invasive bladder cancer, when each are appropriate, and what approaches clinical trials are attempting to bring in.
- 3) Describe the experience of patients after cystectomy or bladder preservation and the cancer-free and overall survival of patients in these populations.

Accreditation: The University of Florida College of Medicine is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

Credit: The University of Florida College of Medicine designates this enduring material for a maximum of 0.25 *AMA PRA Category 1 Credits*[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Contact Info: If you have any questions please feel free to contact Kathryn Hitchcock at hitchk@shands.ufl.edu
