The University of Florida Adult and Pediatric Cystic Fibrosis Centers will be hosting our annual North Central Florida Cystic Fibrosis Conference on Friday May 22, 2020. The goal of the event is to educate care providers, families, and the general public about cystic fibrosis while also launching conversation and collaboration among the North Florida CF community.

Conference Highlights:

Numerous Exhibitors/ Vendors
Patient Centered Care
CF Reproductive Health
Guest Speakers
Streetlight

Promoting Caregiver Wellness
Multidiscipline Panel Discussion

1 Hour Airway Clearance Training
and much more!

Please feel free to forward this event to all your Florida care centers!

To help reduce the risk of cross-infection, the CF Foundation's attendance policy recommends inviting only one person with CF to attend indoor events at a specific time. A person with CF will be speaking during this event, so unfortunately we cannot invite other people with CF to attend the conference. We encourage family members/guardians of people with CF to attend.

This event will be recorded.
