

TITLE OF PODCAST: Clinical indications for treatment of brain tumors with LITT or laser ablation

Presented by:

Maryam Rahman, MD
Department of Neurosurgery
University of Florida College of Medicine

Faculty Disclosure:

Dr. Rahman has received grant/research support from Monteris Medical for a UF lead clinical trial.

CME Advisory Committee Disclosure

Conflict of interest information for the CME Advisory Committee members can be found on the following website: <https://cme.ufl.edu/disclosure/>.

Bibliographic Source: <https://pubmed.ncbi.nlm.nih.gov/29444286/>

Release Date: 11/1/20

Expiration Date: 10/31/22

Target Audience:

Neurosurgeons, Neurologists, Oncologists, Radiation oncologists, Primary Care Physicians, Specialty Physicians, Emergency room physicians, Critical care physicians, Radiologists

Learning Objectives:

As a result of participation in this activity, participants should be able to:

1. Define laser interstitial thermotherapy (LITT) or laser ablation
2. Describe the clinical indications for treatment of brain tumors with LITT or laser ablation
3. Determine the expected outcomes of LITT treated brain tumors

Accreditation: The University of Florida College of Medicine is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

Credit: The University of Florida College of Medicine designates this enduring material for a maximum of .25 *AMA PRA Category 1 Credit*[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Contact Info: If you have any questions please feel free to contact Maryam Rahman, MD at Maryam.Rahman@neurosurgery.ufl.edu
