CME Advisory Committee Disclosure

Conflict of interest information for the CME Advisory Committee members can be found on the following website: <https://cme.ufl.edu/disclosure/>.

Release Date: November 25, 2020

Expiration Date: November 24, 2022

Target Audience:

Primary care practitioners, including family practitioners, pediatricians, nurse practitioners and physician assistants, Pediatric specialists, Pediatric surgeons, Emergency medicine physicians, Trauma surgeons

Learning Objectives:

As a result of participation in this activity, participants should be able to:

1. Recognize that pediatric trauma and burn injury is a significant public health issue.
2. Discuss the reasons why children require a specialized approach and resources for burn injury.
3. Discuss principles of pediatric burn management, why specialized burn management matters, and directions for future research/improvements.

Accreditation: The University of Florida College of Medicine is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

Credit: The University of Florida College of Medicine designates this enduring material for a maximum of 0.25 *AMA PRA Category 1 Credit*[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.
