CME Advisory Committee Disclosure

Conflict of interest information for the CME Advisory Committee members can be found on the following website:
<https://cme.ufl.edu/disclosure/>.

Release Date: November 25, 2020

Expiration Date: November 24, 2022

Target Audience:

Primary care practitioners (including family practitioners, pediatricians, nurse practitioners and physician assistants), Pediatric specialists, Pediatric surgeons

Learning Objectives:

As a result of participation in this activity, participants should be able to:

1. Understand the reasons why chest wall deformities occur, and how they present.
2. Correlate the clinical symptoms with the deformity and the potential long term issues.
3. Understand the options for treating chest wall deformities and their outcomes.

Accreditation: The University of Florida College of Medicine is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

Credit: The University of Florida College of Medicine designates this enduring material for a maximum of 0.25 *AMA PRA Category 1 Credit*[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.
