

Clinical Trajectories of Acute Kidney Injury in Surgical Sepsis

Presented by:

Azra Bihorac, MD, MS, FCCM, FASN
R. Glenn Davis Professor
University of Florida College of Medicine

Tezcan Ozrazgat Baslanti, PhD
Research Assistant Professor
University of Florida College of Medicine

Faculty Disclosures:

Dr. Bihorac has disclosed that she has received research funding from Astute Medical, INC and SCCM in the past but it has no implications on this presentation.

Dr. Baslaniti has disclosed that she has no relevant financial relationships.

No one else in a position to control content has any financial relationships to disclose.

CME Advisory Committee Disclosure

Conflict of interest information for the CME Advisory Committee members can be found on the following website:

Ozrazgat-Baslanti T, Loftus TJ, Mohandas R, Wu Q, Brakenridge S, Brumback B, Efron PA, Anton S, Moore FA, Moldawer LL, Segal MS, Bihorac A; Sepsis and Critical Illness Research Center Investigators. Clinical Trajectories of Acute Kidney Injury in Surgical Sepsis: A Prospective Observational Study. *Ann Surg*. 2020 Nov 13. doi: 10.1097/SLA.0000000000004360. Epub ahead of print. PMID: 33196489.

Release Date: February 2, 2021

Expiration Date: February 1, 2023

Target Audience:

Critical Care Physicians, Nephrologists, Surgical Specialists

Learning Objectives:

As a result of participation in this activity, participants should be able to:

1. Define and classify trajectories of acute kidney injury.
2. Describe the prevalence of persistent AKI and persistent AKI without renal recovery after sepsis.
3. Describe the difference between clinical characteristics, resource utilization, hospital and long term outcomes for sepsis patients from different trajectories of acute kidney injury.

Requirements for successful completion: Certificates are awarded upon successful completion (80% proficiency) of the post-test.

Accreditation: The University of Florida College of Medicine is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

Credit: The University of Florida College of Medicine designates this enduring material for a maximum of .25 *AMA PRA Category 1 Credits*[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Contact Info: If you have any questions please feel free to contact George Omalay at 352.294.8580 or at gomalay@ufl.edu.
