Dr. Beasley has disclosed that she has no relevant financial relationships. No one else in a position to control content has any financial relationships to disclose.

## CME Advisory Committee Disclosure

Conflict of interest information for the CME Advisory Committee members can be found on the following website: <https://cme.ufl.edu/disclosure/>.

**Bibliographic Source:** Stephanie B Oliveira , Iona M Monteiro . Diagnosis and management of inflammatory bowel disease in children. BMJ 2017 May 31;357:2083

**Release Date:** April 1, 2021

**Expiration Date:** March 31, 2023

## Target Audience:

Primary care practitioners, including family practitioners, pediatricians, nurse practitioners and physician assistants, Pediatric specialists, Pediatric surgeons, Pediatric gastroenterologists

## Learning Objectives:

As a result of participation in this activity, participants should be able to:

1. Better appreciate and understand the features and presentation of IBD in children
2. Develop the ability to differentiate between Crohn and Ulcerative Colitis
3. Create a framework for the standard and higher level of therapy for children with IBD and the role for potential surgical management

**Requirements for successful completion:** Certificates are awarded upon successful completion (80% proficiency) of the post-test.

**Accreditation:** The University of Florida College of Medicine is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

**Credit:** The University of Florida College of Medicine designates this enduring material for a maximum of 0.25 *AMA PRA Category 1 Credits*<sup>™</sup>. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

**Contact Info:** If you have any questions, please feel free to contact Dr. Saleem Islam at 352.265.8800 or [Saleem.Islam@surgery.ufl.edu](mailto:Saleem.Islam@surgery.ufl.edu) or Dr. Genie Beasley at 352.273.9350 or [genie@peds.ufl.edu](mailto:genie@peds.ufl.edu).
