**Bibliographic Source:** <https://m.ufhealth.org/bashar-alzghoul/background>

**Release Date:** November 1, 2021

**Expiration Date:** October 31, 2023

## Target Audience:

Primary Care Physicians, Pulmonary Medicine Physicians, Critical Care Medicine Physicians

## Learning Objectives:

As a result of participation in this activity, participants should be able to:

1. Understand the best practices/standard of care for COVID-19 patients in the ICU
2. Understand available literature about long-term care/outpatient care for COVID-19 patients and what we provide at UF
3. Understand available resources for long term management of post COVID-19 fibrosis including lung transplantation

**Requirements for successful completion:** Certificates are awarded upon successful completion (80% proficiency) of the post-test.

**Accreditation:** The University of Florida College of Medicine is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

**Credit:** The University of Florida College of Medicine designates this enduring material for a maximum of .25 *AMA PRA Category 1 Credits*<sup>™</sup>. Physicians should claim only the credit commensurate with the extent of their participation in the activity.
