

# Practical clinical care pathway for non-alcoholic fatty liver disease (NAFLD)

## Presented by:

Kenneth Cusi, MD, FACP, FACE  
Professor, Endocrinology  
University of Florida College of Medicine

## Faculty Disclosure:

Dr. Cusi has disclosed that he has relevant financial relationships in the form of research support from Cirius, Echosens, Inventiva, Novo Nordisk, Poxel, and Zydus and consultant support from AstraZeneca, BMS, Eli Lilly, Fractyl, Intercept, Janssen, Prosciento, Madrigal, Novo Nordisk, Sonic Incytes Medical Corp and Terns. No one else in a position to control content has any financial relationships to disclose.

## CME Advisory Committee Disclosure

Conflict of interest information for the CME Advisory Committee members can be found on the following website: <https://cme.ufl.edu/disclosure/>. All relevant financial relationships have been mitigated.

**Bibliographic Source:** Attached: [CCP\\_Pathway.Gastro2021](#)

**Release Date:** November 20, 2021

**Expiration Date:** November 19, 2023

## Target Audience:

Primary Care Physicians, Specialty Physicians, Clinical endocrinologists,

## Learning Objectives:

After participating in this activity, listeners will be able to:

1. Understand the magnitude of the epidemic on NAFLD and what it means to primary care physicians and patients.
2. Determine who is at risk, how to screen and when to refer to the liver specialist.
3. Describe what are treatments available today? What is coming in the drug development pipeline?

**Requirements for successful completion:** Certificates are awarded upon successful completion (80% proficiency) of the post-test.

**Accreditation:** The University of Florida College of Medicine is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

**Credit:** The University of Florida College of Medicine designates this enduring material for a maximum of .25 *AMA PRA Category 1 Credits*<sup>™</sup>. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

**Contact Info:** If you have any questions please feel free to contact Kenneth Cusi at 352-273-7236 or at [Kenneth.Cusi@medicine.ufl.edu](mailto:Kenneth.Cusi@medicine.ufl.edu).
