Release Date: 1/24/2022
Expiration Date: 1/23/2024

Target Audience:
Primary Care Physicians, Specialty Physicians, Clinical Urologists, Prostate Cancer Specialists

Learning Objectives:
As a result of participation in this activity, participants should be able to:
1. Understand the imaging modalities that are currently available for prostate cancer.
2. Define the best use for each modality.
3. Discuss future directions for imaging in prostate cancer.

Requirements for successful completion: Certificates are awarded upon successful completion (80% proficiency) of the post-test.

Accreditation: The University of Florida College of Medicine is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

Credit: The University of Florida College of Medicine designates this enduring material for a maximum of .25 *AMA PRA Category 1 Credits*™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Contact Info: If you have any questions please feel free to contact Wayne Brisbane at 352-327-8084 or at waynebrisbane@ufl.edu
