Release Date: January 29, 2022

Expiration Date: January 28, 2024

Target Audience:

Ophthalmologists

Learning Objectives:

As a result of participation in this activity, participants should be able to:

1. Compare and contrast the most widely used corneal refractive procedures.
2. Describe common contraindications for refractive surgery.
3. Discuss alternative refractive surgery options when corneal refractive surgery may not be appropriate.

Requirements for successful completion: Certificates are awarded upon successful completion (80% proficiency) of the post-test.

Accreditation: The University of Florida College of Medicine is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

Credit: The University of Florida College of Medicine designates this enduring material for a maximum of .25 *AMA PRA Category 1 Credits*[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Contact Info: If you have any questions please feel free to contact W. Allan Steigleman, MD at 352-265-2020 or at asteigleman@ufl.edu
