Release Date: August 31, 2022 Expiration Date: August 30, 2024

Target Audience:

Primary Care Physicians, medical trainees

Learning Objectives:

As a result of participation in this activity, participants should be able to:

- 1. Describe the most common causes of nasal obstruction.
- 2. Outline the initial treatment protocol that should be prescribed.
- 3. Discuss when referral to ENT and surgical intervention may be helpful.

Requirements for successful completion: Certificates are awarded upon successful completion (80% proficiency) of the post-test.

Accreditation: The University of Florida College of Medicine is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

Credit: The University of Florida College of Medicine designates this enduring material for a maximum of .25 *AMA PRA Category 1 Credits* $^{\text{\tiny TM}}$. Physicians should claim only the credit commensurate with the extent of their participation in the activity.
